BHC FINANCIAL PLANS AND TERMS – Counting the Cost

The Building Healthy Churches Ministry will require real time and real expertise from real people to work alongside you. Your church will be assisted in multiple areas and receive finished products to put to use, not simply a list of identified issues.

The BHC Ministry will cost \$20,000 per church to provide and that is the cost recovery price. This price includes the full retreat costs, training events, pastor leadership track training, honorariums and travel costs for coaches and consultants, website building and training, compliance reviews and more.

Fee Schedule

Champion Church – contribute at least 3% of their general receipts to CCBA missions

Cooperating Church – contribute at least 1% of their general receipts to CCBA missions

*To qualify for scholarship available to Champion and Cooperating Churches, your church may make-up the contribution for the current year by and is expected to continue the same % level of contribution throughout the BHC Ministry period.
